

TEMPORARY FULL STREET CLOSURES OF Foothill BOULEVARD & HAMPTON ROAD

WHAT: The City's contractor, Powell Constructors, Inc., will carry out nighttime full street closures on Foothill Boulevard and on Hampton Road. Foothill Boulevard and Hampton Road will not be closed at the same time. *Please see maps below for location of closures and corresponding detours.* Detour signs will be posted, and flagmen will be on site, as needed.

WHEN:

Monday, May 16 through Friday, May 20

- Nighttime Work Hours: 10 p.m. to 5 a.m.**

WHERE:

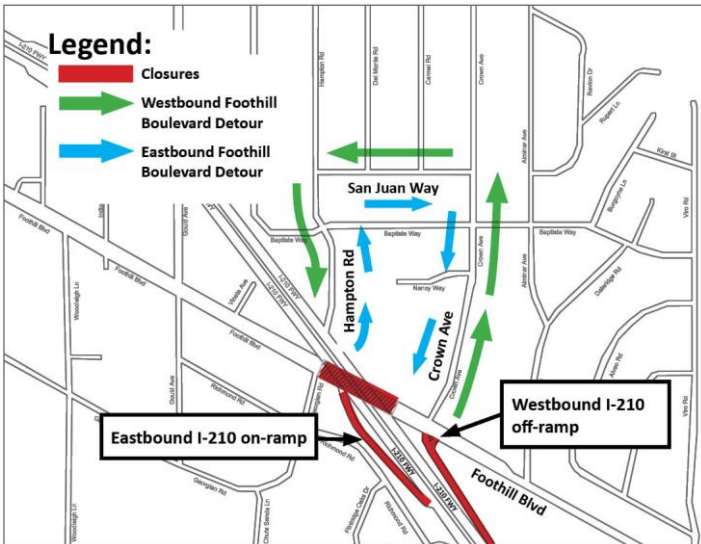

- On Foothill Boulevard, near Hampton Road**
- On Hampton Road, near Foothill Boulevard**

WHY: For the demolition of the westbound and eastbound I-210 bridge barrier and overhang. This will allow for the continuation of the soundwall construction in this area.

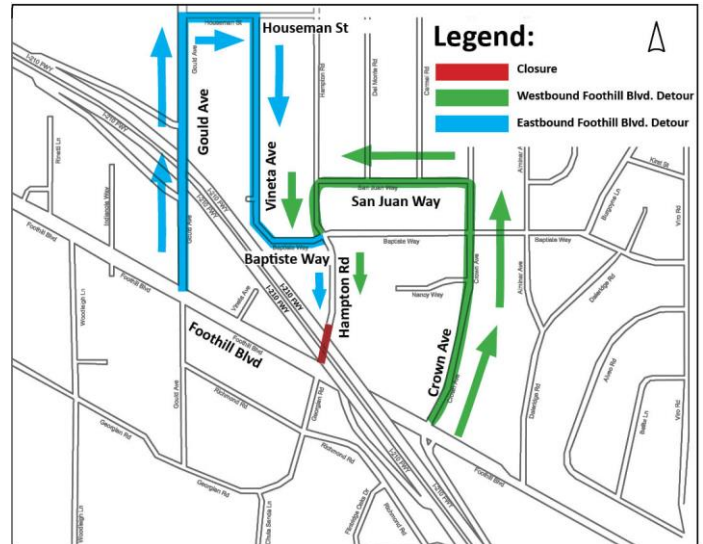

During these activities, traffic on City streets and noise level may be impacted. However, the Contractor and the Consultant will monitor the noise level to ensure that it will not exceed 85 decibels in accordance with the project specifications, and traffic control measures will be also implemented to ease any congestion.

To ensure safety to the community, the contractor will continuously monitor all activities and adjust conditions as necessary.

Foothill Boulevard Closure & Detour

Hampton Road Closure & Detours

For any questions you may have, please call the project phone line or email the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: You may experience noise during the construction activities. Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors. Everyone is working towards completing this project in a timely manner and your cooperation and understanding helps the project team expedite the construction of the soundwall. We appreciate your patience, and we apologize for any inconvenience during construction.

City of La Cañada Flintridge

CONSTRUCTION NOTICE

FLINTRIDGE PREPARATORY SCHOOL PARTIAL PARKING LOT USE

WHAT: The City's contractor, Powell Constructors, Inc., will occupy partial space of the Flintridge Preparatory School parking lot.

WHERE: Flintridge Preparatory School parking lot space under the Hampton Road/Foothill Boulevard Undercrossing.

WHEN: 7 a.m. to 3:30 p.m. on Saturday, Feb. 12. *Please note the space being used by the contractor will remain in use through November 2022.*

WHY: The crews will install a temporary chain link fence as well as stripe to define an area for construction workspace. This will allow the crews to proceed with:

- Clearing and grubbing
- Installation of falsework for bridge construction
- Construction of sound walls

To ensure safety to the community, the contractor will continuously monitor the parking lot space and surrounding activity and adjust conditions as necessary.

For any questions you may have, please dial the project phone line or send an email to the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors.

City of La Cañada Flintridge

CONSTRUCTION NOTICE

CLOSURES ON EASTBOUND & WESTBOUND I-210 & ON FOOTHILL BOULEVARD

WHAT: The City's contractor, Powell Constructors, Inc., will require street and freeway closures.

WHERE:

- Eastbound I-210: *will close up to two outside lanes* between Route 2 and Foothill Boulevard
 - Eastbound I-210: Gould Avenue off-ramp, *full ramp closure*
 - Eastbound I-210: Foothill Boulevard on-ramp, *partial closure with at least one lane open*
 - Westbound I-210: Berkshire Avenue on-ramp, *full ramp closure*, only Tuesday night, Feb. 15
 - Westbound I-210: Gould Avenue on-ramp, *full ramp closure*
 - Westbound I-210: *will close up to two outside lanes* between Foothill Boulevard and Gould Avenue
 - Westbound I-210: Foothill Boulevard off-ramp, *full ramp closure*
 - Foothill Boulevard: *at least one lane will remain open in each direction*; flaggers will be onsite
-

WHEN: 7 p.m. to 6 a.m., **nightly**, Tuesday, Feb. 15, to Saturday, Feb. 19 and if needed, Tuesday, Feb. 22, to Saturday, Feb. 26 (*please note, the Friday closures will open at 9 a.m. Saturday morning*).

WHY: Crews will restripe I-210 outside lanes and ramps for k-rail installation. The k-rail will create the area for the construction work zone.

To ensure safety to the community, the contractor will continuously monitor the activity and adjust conditions as necessary.

For any questions you may have, please dial the project phone line or send an email to the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors.

City of La Cañada Flintridge

CONSTRUCTION NOTICE

SOUND WALL CONSTRUCTION ON EASTBOUND I-210

WHAT: The City's contractor, Powell Constructors, Inc., has begun preliminary activities in your area for the construction of the sound wall along eastbound I-210.

WHERE: Eastbound I-210 (south side of the freeway), between Alta Canyada Road and St. Francis Place.

WHEN: 7 a.m. to 3:30 p.m. weekdays, starting in late February/early March. *Please note, remaining construction activities for this sound wall will continue through late Summer 2022.*

WHY: For the construction of a sound wall. Crews have begun carrying out preliminary activities such as:

- Bridge/guard-rail removal
- Fencing removal

These activities will be followed by vegetation and tree removal and ultimately by the construction of the sound wall.

To ensure safety to the community, the contractor will continuously monitor all activities and adjust conditions as necessary.

For any questions you may have, please dial the project phone line or send an email to the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: You may experience noise during the construction activities. Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors.

City of La Cañada Flintridge

CONSTRUCTION NOTICE

SOUND WALL CONSTRUCTION ON EASTBOUND & WESTBOUND I-210

WHAT: The City's contractor, Powell Constructors, Inc., has begun preliminary activities in your area for the construction of the sound walls along eastbound and westbound I-210.

WHEN: 7 a.m. to 3:30 p.m. weekdays, February 2022 through early 2023.
*Should weekend work be necessary, advanced notifications will be provided, as needed.
Please see below for individual sound wall schedules.*

WHERE:

- Eastbound I-210 (south side of freeway), between Alta Canyada Road and St. Francis Place.
 - Schedule: Feb. 2022 through late Summer 2022
 - Eastbound I-210 (south side of freeway), between north of Vineta Avenue and the eastbound I-210 Foothill Boulevard on-ramp
 - Schedule: Feb. 2022 through late Fall 2022.
 - Westbound I-210 (north side of freeway), between the Baptiste Way/Vineta Avenue intersection and the westbound I-210 Foothill Boulevard off-ramp at Crown Avenue.
 - Schedule: Feb. 2022 through late Fall 2022.
-

WHY: The sound walls will reduce existing noise levels on I-210 through La Canada Flintridge, for the benefit of the community.

To ensure safety to the community, the contractor will continuously monitor all activities and adjust conditions as necessary.

For any questions you may have, call the project phone line or email the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: You may experience noise during the construction activities. Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors.

City of La Cañada Flintridge

CONSTRUCTION NOTICE

FLINTRIDGE PREPARATORY SCHOOL PARKING LOT USE/RESIDENTIAL PARKING

WHAT: The City's contractor, Powell Constructors, Inc., began partial use of the Flintridge Preparatory School Parking lot.

Based on this, residents may experience additional traffic and more than usual student parking along city streets. Everyone is working towards completing this project in a timely manner and your cooperation and understanding helps the project team expedite the construction of the soundwall in your area for the benefit of the entire community. We appreciate your patience, and we apologize for any inconvenience during construction.

WHEN: Ongoing through late Fall 2022.

- Regular work hours: weekdays, 7 a.m. to 3:30 p.m. *Should weekend work be necessary, advanced notifications will be provided, as needed.*

WHERE:

- **Parking lot partial use:** Flintridge Preparatory School parking lot space under the Hampton Road/Foothill Boulevard Undercrossing.
- **Residential streets that may experience increased traffic/parking:** San Juan Way, Baptiste Way, Georgian Road, Foothill Boulevard, Hampton Road, Richmond Road, and Daleridge Road.

WHY: For the construction of the soundwall along westbound I-210 between the intersection of Baptiste Way and Vineta Avenue and the westbound I-210 Freeway off-ramp at Crown Avenue. This soundwall will reduce existing noise levels on I-210 through La Canada Flintridge, for the benefit of the community.

To ensure safety to the community, the contractor will continuously monitor all activities and adjust conditions as necessary.

For any questions you may have, please call the project phone line or email the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

Please note: You may experience noise during the construction activities. Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors.
