

2026 Annual LCF Community Preparedness Day

Ready for Rain

Prepare for flooding, storms and winter weather hazards before the next major storm arrives.

**Thursday, September 10 | 6–8 p.m.
Olberz Park (One Civic Center Drive)**

Join the City for a free, family-friendly evening focused on preparing for rain, flooding and winter weather emergencies. Connect with local public safety partners, learn practical preparedness tips and discover resources to help protect your family, home and neighborhood.

Event Highlights

- 💧 Rain and flood preparedness resources
- 💧 Meet local first responders and emergency personnel
- 💧 Learn about flood risks, evacuation planning and emergency alerts
- 💧 Interactive exhibits and hands-on activities
- 💧 Live music and food from local vendors
- 💧 Lawn games, family activities and giveaways

Are you ready for the next storm?

Heavy rain and winter storms can arrive with little warning, bringing flooding, mudflows, power outages and hazardous road conditions. Taking a few simple steps now can help protect your family, home and property before the next storm.

Prepare Today

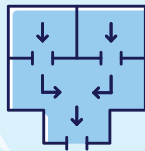

Know your flood, mudflow and drainage risks.

Build an emergency supply kit.

Create a household emergency plan.

Know your evacuation routes.
